

## 2018 Award for Clinical Excellence

The purpose of The Founder’s “ACE” – the Award for Clinical Excellence – is to recognize the dedication and commitment of renal professionals living and working in our 28-county region. By casting a spotlight on the accomplishments of these outstanding professionals, the Kidney Foundation of Central Pennsylvania looks to honor those who have made a positive and lasting impact on the delivery of care to people living with kidney disease.

We want to hear about your ACE. Who in your practice, dialysis unit, or transplant center is deserving of recognition as a role model for your profession? Please complete the form in its entirety, as the answers you provide will be transcribed into a narrative to be used at the award presentation, at the Update on Chronic Kidney Disease in late April.

Nominations should be returned by fax, email, or regular mail to the Kidney Foundation of Central Pennsylvania. Nomination forms must be received by close of business on **Friday, April 13, 2018**. This form is also available on our website at [www.kfcp.org](http://www.kfcp.org).

Name of Nominee:	Position/Credentials:
Employer:	Length of time in this position:
