Mentee Evaluation of Certified Partner and PFPP

We are pleased that you are participating in The Kidney Foundation of Central Pennsylvania Patient and Family Partner Program. It is very important to your Certified Partner, to KFCP and to your Medical Team that you feel you are benefitting from your relationship with your CP. We would appreciate it if you help us learn about your experience by taking a few moments to complete the questions below. This will help us evaluate the program and improve it as it grows.

How does your Certified Partner contact you?

By phone _____

Personal visit(s) _____

Approximate number of phone calls to date: _____

Approximate number of visits (to date) _____

Do you feel your phone discussions and/or your visit(s) with your Certified Partner have been helpful to you? Please explain your answer:

In general terms, what issues or topics did you discuss with your Certified Partner? (We are not asking you to tell us about the discussions you prefer to keep confidential.)

Is your Certified Partners able to give you helpful suggestions as you learn to adjust to your kidney problems? Can you give a couple of examples?

Do you feel your Certified Partner, who has personal experience with kidney failure, can help you in ways that complement the care given by your Medical Team?

Yes _____ No _____

Do you have other comments about your experience with your Certified Partner that you would like to share? If so, please use the space below.

Thank you for participating in the evaluation of the KFCP Patient and Family Partner Program. **Please return this completed evaluation to The Kidney Foundation of Central Pennsylvania, using the enclosed, stamped envelope.** Thank you.

If you have any questions about this questionnaire or general questions about the Program, you may call me at (717) 652-8123.
