

To educate the community we serve about chronic kidney disease; to provide services and support to people whose lives are impacted by kidney disease; and to advocate for more living organ donations in order to reduce the wait for a life-saving kidney transplant.

In all our relationships with patients and their support team and partnerships with other agencies, the KFCP is driven by the principles of Integrity, Stewardship, Community, Collaboration, and Compassion.

To enhance the lives of everyone impacted by chronic kidney disease.

What Your Memorial Gift Can Do.

www.kfcp.org

Honor & Memorial Tribute Gifts

A gift in honor or in memory of a loved one, whether a family member, friend, or co-worker, is a wonderful tribute. For each honor or memorial gift, the Kidney Foundation of Central Pennsylvania sends notification of the gift to the individual or family, friend, or neighbor of the person that you designate. Include the name and address of the individual(s) you would like us to notify along with your gift.

How Your Gift Helps

The Kidney Foundation of Central Pennsylvania is not a local affiliate chapter of any national organization. We rely on the generous donations from individuals and corporations to support our mission. Funds that are raised here stay right here in Central Pennsylvania. Memorial gifts help us deliver important services and programs to patients living with chronic kidney disease and their families. From our nationally-recognized Patient and Family Partner Program, to our Patient Emergency Assistance Fund, your dollars will make a big difference.

The Kidney Foundation of Central Pennsylvania is also committed to providing outstanding professional education programs and expanding the body of medical knowledge in order to improve the quality of life for people with kidney disease.

Notice of Tribute Gifts

Families may prefer to ask for memorial gifts through the obituary. The notice in the obituary might read, "In lieu of flowers, the family requests contributions be made in memory to The Kidney Foundation of Central Pennsylvania, 900 Arlington Avenue, Suite 101, Harrisburg, PA 17109."

Leave a Legacy

Gifts made through wills, charitable remainder trusts and other planned giving vehicles help to ensure that your philanthropic goals and the needs of the Kidney Foundation of Central Pennsylvania will be met for years to come.
